

Notice of Selection

REQUEST FOR QUALIFICATIONS RFQ CC03.3640.09
SBCCD MEASURE CC BOND PROGRAM

Special Inspection and Testing Services Multiple Award Master Services Agreement

As part of the Special Inspection and Testing Services Multiple Award Master Services Agreement RFQ CC03.3640.09, the Selection/Scoring Committee's recommendation is to pre-qualify the firms listed below who would then be eligible to participate in the District's Task Order Selection Process as described within the aforementioned RFQ. As Work is identified, Requests for Task Order Proposals (RFTOPs) will be sent to all listed pre-qualified firms for consideration.

The selected firms are listed in alphabetical order.

SELECTED FIRMS
Converse Consultants of Redlands, CA
CTE South Inc of Riverside, CA
Geo-Tek, Inc. of Corona, CA
Inland Foundation Engineering, Inc. of San Jacinto, CA
Koury Engineering and Testing, Inc. of Chino, CA
Leighton Consulting Group of Colton, CA
Moore Twining Associates, Inc. of Riverside, CA
NV5 West, Inc. of Corona, CA
River City Testing of Riverside, CA
RMA Group of Rancho Cucamonga, CA
Terracon Consultants, Inc. of Colton, CA
Twining Consulting, Inc. of Riverside, CA
United-Heider Inspection Group of Riverside, CA

Unfortunately, the District was unable to include all responsive firms that submitted qualifications in the pre-qualified list but would like to thank those that did and encourage their participation in future RFQs and RFPs as the Bond Program moves forward.

Be advised, per the District's Policies and Education Code, all qualifications, Agreements and Task Orders are contingent on approval by the Board of Trustees prior to the receipt of any services.
